BLENDING CONTEMPORARY WITH HERITAGE

Paxton House has been extensively refurbished to provide premium office space in the sought after location between the City of London and Shoreditch, next to the iconic Spitalfields Market and moments from Liverpool Street station.

This prominent corner building was once home to England's first distiller of essences. Taking influence from this rich history, Paxton House has been re-imagined by Emrys Architects to deliver 12,093 sq ft of new and contemporary office space, due for delivery in Q2 2025.
